The question is no longer, Shall I insure my life? but, Where is it to my advantage to insure?

The Knickerbocker is mutual, because profits are divided among the assured.

It issues every desirable form of Policy, (on the non-forfeiting system.)

It allows the insured to travel and reside in any portion of the United States and Europe, at any and all seasons of the year, without extra charge.

Its Policies dispense with almost all restrictions on occupation.

Its rates of Premiums are as low as any Company can offer, and do a thoroughly safe business.

It is most liberal in favoring Policy holders in payment of their premiums.

Its dividends are made ANNUALLY, and AVAILABLE AS CASH, in payment of premiums.

Its stability is beyond question, the Assets amounting to more than EIGHT MILLION DOLLARS.

**ITS LOSSES ARE LIBERALLY AND PROMPTLY PAID.**

# "THE METHODIST."

Published Weekly by an Association of Laymen,

AND EDITED BY

**REV. GEO. R. CROOKS, D. D.,**

AND

**REV. ABEL STEVENS, LL. D.,**

both eminent journalists, and the latter the well-known historian of Methodism, is an unofficial, live, sprightly, and reliable

**RELIGIOUS, FAMILY, & LITERARY NEWSPAPER**  
*FOR THE PEOPLE.*

It has a host of first-class contributors.

It gives full and frequent reports of great sermons. Those of Simpson and Spurgeon are regularly reported, and during 1871 those of the Rev. T. De Witt Talmage, of the Brooklyn Free Tabernacle, will appear every week, "The Methodist" being the only paper to which they are furnished.

Mr. Talmage will also contribute regularly to the columns of "The Methodist."

Much attention is given to Reviews and Notices of Books, making "The Methodist" an attractive paper for literary men.

## **THE CHILDREN'S DEPARTMENT**

is a striking feature of "The Methodist." A new SERIAL STORY by Mrs. Willing, of Chicago, will appear during 1871.

Another attractive and valuable feature is the frequent publication of new and choice Sunday School Music.

In short, "THE METHODIST" aims to be a Genuine Religious Paper for thoughtful and earnest Christians of all denominations.

# NORTH AMERICA

(MUTUAL)

## LIFE INSURANCE COMPANY,

17 & 19 WARREN STREET, N. Y.  
*N. D. MORGAN, President.*

To those desiring to solicit and work for a Company, where combinations of strong and useful features are in force, we present the following:

**1st. REGISTRY.**—This Company issues New York State Registered Policies secured by pledge of Public Stocks, like the circulation of National Banks.

This makes every Registered Policy secure to the holder as a National Bank Note or United States Bond. Superintendent BARNES says, in his Report for 1869:—"So far as the question of security is concerned, a Policy duly registered in this Department, is probably the safest Life Insurance Policy that can be issued by a corporation."

See Regular Bulletin of Registered Policy Account in every Tuesday's *New York Tribune*.

ALL POLICIES REGISTERED IN THE INSURANCE DEPARTMENT FREE OF COST.

**2d. MUTUALITY.**—The Company is PURELY MUTUAL, an order authorizing the retirement of the Capital Stock having been granted July, 1869. After January, 1870, all the profits will be divided among the Policy-Holders, after the NEW PLAN OF CONTRIBUTION originated by this Company.

**3d. NON-FORFEITURE.**—ALL OUR LIFE AND ENDOWMENT POLICIES ARE NON-FORFEITABLE after two or three annual Premiums have been paid, thus securing to your heirs the value of every dollar invested, whether you can continue your policy or not.

**4th. NON-RESTRICTION.**—No Restriction on Travel in the United States or any part of North America, north of the Southern Cape of Florida, or in Europe at any season of the year.

**5th. GRACE IN PAYMENT OF PREMIUMS.**—Thirty days' grace allowed on any renewal payment, and the Policy held good.

**6th. CASH PREMIUMS AND CASH RETURNS OF SURPLUS,** or in addition to Policies.

We want some active, responsible men for Agents, who are willing to work for a reasonable commission.
